A GAME OF THRONES™ THE CARD GAME

Storyline League: Information

Each week, record the votes for each of the following campaigns under the appropriate icon on the AGoT Storyline League map. The first place finisher in the weekly league tournament has first choice and can vote in one of the three campaigns (Military, Intrigue, or Power) with a 3 point vote. The second place finisher then votes in one of the remaining two campaigns with a 2 point vote. Finally, the winner of the Sansa award (last place finisher) votes in the remaining campaign with a 1 point vote. Also remember to record the votes (with the appropriate values) under the House each player used to earn those votes in the final campaign, depicted by the “shield” icon on the map.

The name of each week’s tournament champion should also be recorded on the campaign map, as well as the name of the overall “final” champion. (The overall champion should receive the map at the conclusion of the league as a memento of his or her accomplishment.)

At the end of the 6 week campaign, a final vote is taken, using the overall record of each player from all “sparring” and “tournament” games to determine the placing. The first place overall finisher gets a “final” vote worth 6 points, the second place overall finisher gets a “final” vote worth 4 points, and the player with the most total losses earns the “final” Sansa award worth two points. A player must have at least 12 official recorded games to be eligible for this final vote.

After the campaign, the results of all votes are tallied by the TO, and submitted to FFG via our organized play website at <http://www.fantasyflightgames.com/orgplay/admin/login.jsp>.

Military:

The War of Five Kings stretches on, and Tywin Lannister has seized control of the realm. Some find this situation to their advantage, others would rather die than live in a land ruled by a Lannister. In the LCG, the future of A House of Thorns Tywin Lannister is at stake. If Tywin Lannister is deposed by these malcontents, the card will rotate into classic, and never be seen in the LCG format again. If Tywin Lannister survives this threat to his authority, this meta-shaking card will be reprinted in the next AGoT LCG expansion!

Do you kneel before Tywin Lannister?

Options:

- Vote YEA! to reprint A House of Thorns (R10) Tywin Lannister!
- Vote NAY! and A House of Thorns (R10) Tywin Lannister remains only in Legacy!

Intrigue:

The War of Five Kings is fought in plain sight, but the real future of Westeros will be determined behind the scenes. Amidst the chaos of war, the various peoples of the realm plot and scheme for power. Each group has approached you, seeking your support. In the LCG, a number of support cards for one of the five crests (WAR, NOBLE, HOLY, LEARNED, or SHADOWS) in the game have been slotted, but we are waiting on the results of the “Conspiracies Afoot” campaign to determine which crest will receive these cards.

Conspiracies are afoot! Which group will you support?

- Vote WAR for the Warriors and Armies of the Land (War Crest Support)
- Vote ROR for the Religious Orders of the Realm (Holy Crest Support)

Power:

In a time of hardship and strife, the people of Westeros need a legend for inspiration and hope. But what is a Legend without people to spread the tale? In your travels, you have heard rumors of four potential Legends, but there can be only one! In the LCG, there are 4 Legendary characters up for potential design in the next expansion set, your vote will help determine which character sees print!

Who Will be the Next Legend of the Realm?

Options:

- Vote BALE for Balerion the Black
- Vote LANC for Lann the Clever
- Vote BRAN for Bran the Builder
- Vote THEL for The Laughing Storm

Great House:

With all these storylines to follow, it seems that new minstrels and bards are popping up everywhere you look. Singers and storytellers can be found throughout the Seven Kingdoms, always ready to entertain. But who's song will the singers sing, and which story will they tell?

In the LCG, only one House can fully capture the imagination of these singers, and reap the benefits of their glorious song. These benefits are reflected in a powerful new plot card, The Minstrel's Muse. Every time a player votes for one of the other challenges, a vote of the corresponding value is cast in this challenge.

Please use the first letter of the Houses' name to denote this.

B for Baratheon
L for Lannister

T for Targaryen
S for Stark

M for Martel
G for Greyjoy
